REMARKS

Please enter the above amendment that corrects document conversion errors made in the previous response.

The above amendment corrects errors that the applicant could not have previously corrected because the applicant was not previously aware of the errors. The errors do not render the claims indefinite and the correction of the errors does not introduce any new matter.

The claims are definite and distinguished from the citations and Applicant respectfully requests a Notice of Allowance be issued.

The Commissioner is hereby authorized to credit any overpayment or charge any fee (except the issue fee) including fees for any required extension of time, to Account No. 14-1270.

Respectfully submitted,
